

BOWLING NEWS

By EVA "Toots" YARBROUGH

The local boys did it again! Hermosa Recreation really took a beating from the Torrance Bowl Five in Lynwood last Sunday night. The Torrance Bowl boys came home with three more games to their credit and the Lomita Auto Parts team gave Mcness Recreation some of the same medicine at the Beacon Alleys in South Gate. Both teams are credited with five wins out of six games rolled.

Bagtime doubles ended last Sunday night with Short Yarbrough and Ace Vaughan on in front for the doubles with 1334. Jack Bassett held on the number one spot for high game with 256. Ace Vaughan took first in the singles with 702. All you keglerettes should be ashamed of yourselves. True, I won top spot in both singles and high game but because of no competition I haven't anything to "crow" about and that's half the fun.

We always want to give credit where credit is due and "Buck" Buckley is claiming I did him a great injustice by sending his initials as F. W. instead of F. L. Sorry Buck, it won't happen again.

It's a good thing the alleys are going to be resurfaced soon, because alleys three and four should really need it after that sizzling 299 game Al Reko rolled on them last week. He was cheated out of a perfect 300 game by a very defiant vip.

The leagues are getting under way. Signed up for at least one, it's almost the deadline, so you'd better hurry.

Jack Bassett is back doing his usual good job at the alleys. Everyone missed you, Jack. Welcome home.

Torrance Concert Band Finds Many New Members

The response in membership in the new Torrance Concert Band now being organized and sponsored by the Torrance Kiwanis Club, has been very gratifying, according to Dan Cary, musical director of the organization.

Many members of the old P-E and Torrance City bands have already joined and others are expected to be present at the first meeting and rehearsal next Monday evening at the Torrance Men's Bible Class building at 8:30 o'clock.

Dean Sears, chairman of the Kiwanis Club Band Committee, said, "While professional musicians are welcome, we want it understood that this will be a strictly civic enterprise for Torrance and will not be operated for profit or gain of any individual or club.

"The Kiwanis Club sponsorship is merely a part of our new program outlined by President John Stroh to contribute something worth while to the cultural and civic life of the community."

Older boys and men of all ages with any musical experience or training whatsoever are welcome. Rehearsals will be each Monday evening starting next Monday.

Torrance High Announces New Faculty Members

Taking the place of Miss Katherine Berkstreser, who is on leave of absence, Miss W. J. Ingram has been assigned to the Torrance high school teaching staff. Miss Ingram received her B.A. at Quachita college, Arkadelphia, Ark., and her master's degree at Oklahoma A. and M. Her last assignment was at El Segundo high school. Her teaching field is in social studies.

When Mrs. Alwilda C. Dart was transferred to the Fremont high school science department, Eardley Madsen was assigned to Torrance high in her place. Madsen taught at Leuzinger high school last year and for 11 years taught in the state of Utah. He is a graduate of Brigham Young University, Utah.

Bernard Donahue's promotion as a boys' vice principal, left a vacancy in the social studies department. This vacancy was filled by Louis Monferino, a resident of Hermosa Beach who recently was discharged from the Navy. Monferino formerly taught at Bell high school.

Louis Sauter, the band leader of Torrance high, was transferred at his own request to Verdugo Hills high school. The drier climate of that section is said to be more beneficial to the health of his daughter.

Veikko Leskinen, a graduate of the University of Minnesota, will replace Sauter. Leskinen is finishing his work for a master's degree at the University of Southern California. He has taught in Minnesota and Wisconsin for the past six years.

In place of Mrs. Bernice Borah, who has asked for a renewal of her sick leave of absence, will be Miss Barbara Berg Berton, a graduate of Stanford university. Miss Berton taught last year at Jordan high school in Long Beach.

Miss Henrietta Golden, who was transferred to Roosevelt high school, is to be replaced by Mrs. Hilda L. Allen. Mrs. Allen graduated from Los Angeles high school and received her master's degree from Whittier college. She is doing graduate work at the University of Southern California and has done advanced work in Lima, Peru. Mrs. Allen will teach Spanish.

Watching of Pet Dogs Asked As Schools Open

With vacation playtime over for children and their dogs, school and health officials are concerned with the annual problem of pet dogs following their masters to school, according to Dr. Henry Smiley, Torrance district health officer.

Several children were severely bitten by dogs on the school playgrounds last year, the health officer warned, and in any congregation of family pets, the stray dog, perhaps infected with rabies, is a menace to the health of school children. During the first eight months of this year, 196 rabid animals were reported in Los Angeles county.

Warning of Grass Fires Voiced By County Agent

The occurrence of several grass fires in various parts of Los Angeles county during the past three weeks emphasizes the fact that Los Angeles county's worst fire season is in the late summer and fall.

The Agricultural Extension Service urges all people in Los Angeles county to be extremely cautious of fire, not only around farm buildings and crops, but along highways and roads where grass fires can easily be started.

C. V. Castle, farm advisor, points out that hillsides swept with fire during the fall are potential sources of great danger from flood in the following rainy season.

"Don't forget the lesson of the Montrose flood. The area damaged was below a mountain burn which occurred just about two months before the heavy rain of December, 31, 1933 and January 1, 1934. A similar disaster could occur in many places along our foothills if the right sequence of fire and rain occur."

Records show that most fires are caused by carelessness—relatively few result from unavoidable accidents.

Woman Hurt As Car Topples

Mrs. Frances LaFary, Redondo Beach, was injured Tuesday night when a rear tire blowout on her car caused her to lose control of the machine near the Joshua Hendy Co. on Lomita Blvd., Torrance police officers report.

Taken to Torrance Memorial Hospital where she was treated for possible head injuries, Mrs. LaFary later was released. A passing motorist, seeing the LaFary vehicle on its side, helped the woman from the auto and called an ambulance.

SUPNET RETURNED TO UNITED STATES

Private First Class Emilio N. Supnet, son of Mr. and Mrs. Clego Supnet, of 213 Avalon Blvd., Torrance, has recently been returned to the United States for discharge under the Army's present redeployment program. He is a former member of the 4th Infantry Regiment of the veteran 25th Infantry (Tropic Lightning) Division, commanded by Major General Charles L. Mullins, Jr.

Pfc Supnet, husband of Beverly and father of Emilia, who reside at Stockton, Calif., entered the Army in February of 1945 and after taking his basic training he left for overseas duty in October of 1945.

Legion Victory Convention Will Start Monday

Men who are making history and who shaped the course of world history in the past will headline the list of distinguished guests attending the Victory convention of the American Legion opening in San Francisco Sept. 29 and continuing through Oct. 4.

And along with the parade of notables who will be participating in the business sessions of the convention there will be provided dozens of entertainment

events for the enjoyment of the visiting 150,000 other Legionnaires.

While housing is a critical matter at the convention, General Convention Chairman Edward Sharkey has pointed out that Legionnaires who plan to stay it to the convention can get accommodations at the Navy's Treasure Island, within ten minutes of the heart of convention activities.

OLDEST CHURCH BELLS

The oldest church bells in America are at Trinity church in New York. Some of them came from London on the ship Favorite in 1797.

DRUNK DRIVERS

Friday the 13th will be remembered here by Clarence C. Scott, Gardena, and James L. Bradley, Torrance, because on that date the two appeared before City Judge John Shidler on charges of drunk driving. Both Scott and Bradley entered pleas of guilty to driving their cars while intoxicated. Scott drew a fine of \$100 and Bradley paid \$125 for the experience. Each is prohibited by the local justice to drive his car for the ensuing 30 days.
